THE BEST MAILING LIST

Is a list showing the names and addresses of the voters and taxpayers.

We have 1,000,000 of such names—every one showing the correct address of a real live man. These lists are accurate—you buy no junk when you get these voters' and taxpayers' names.

Whisky men particularly find this the best and most convenient way of building up a good mailing list, that would otherwise require years to obtain.

The names are all type-written, alphabetically arranged, bound by counties.

Any county furnished immediately.

MRS. PETERSEN DIED SUDDENLY

Fell Dead at Her Home on West Intendencia Street Last Night.

Mrs. Matilda Petersen, residing at No. 232 West Intendencia street, fell dead at her home last night about 6:30 o'clock, death being pronounced due to heart trouble, of which it was not known that she was a sufferer.

The deceased was apparently in the best of health and was attending to her household duties, when she suffered the attack. She is survived by a husband and two small children.

The funeral services are to be conducted this afternoon at 3 o'clock at the family home and the interment will be in St. John's cemetery.

COTTAGE HILL RESIDENT DIES

Olive O. Meyers, Postmaster and Merchant, Died Yesterday.

After an illness covering a period of several years Olive E. Meyers, postmaster, L. & N. agent and merchant, of Cottage Hill, died at his home at that place yesterday morning at 5 o'clock, and last night the remains were shipped to his former home at Elnora, Ind., for burial.

The deceased came to Florida many years ago, being among the first settlers at Cottage Hill. He had been in failing health prior to coming south, but the climate caused him to gain strength and health and prolonged his life for a number of years.

TERSELY TOLD.

The mission which begins at St. Joseph's church this morning at high mass at ten o'clock, will continue throughout the week and with services each night, until Tuesday, February 18. Father McDonald who will conduct the services, arrived in Pensacola last night and Father Lee who will assist in conducting the mission will arrive to-morrow, he having remained in Montgomery over Sunday to conduct services in that city. Both gentlemen are from Philadelphia. They belong to the Lazarist sect and the mission is under the auspices of that body.

The fire department was called out yesterday morning to South Baylen street to a cottage occupied by Cora Mullan, which had caught fire from some unknown source. The blaze was extinguished with little damage.

Simply Delightful.

OBITUARY.

Benjamin Chandler.

The many friends of Benjamin Chandler in this city, and the surrounding country, will be pained to learn of his death, which occurred at his home in this city, on the morning of January the 30th, after an illness of only a few days.

He was born on Lookout Mountain, Tenn., in November, 1857, but moved to this city in '87, and, though at times his business necessitated his absence from the city, he always claimed Pensacola as his home.

He is survived by a wife, nee Sallie Crislar and one daughter, Mildred Ashby; two brothers, John N. and Charles B., resident of this city; and two sisters, Mrs. John W. James, of Chattahoochee, and Miss Emma, of this city.

KATHERINE RAY SALMONS.

Died Jan. 26th 1908.

Entered into heaven, the bit of sunshine that for nine short years has made our home brighter; a singing, laughing, bit of humanity who had danced through her little life making music, sweeter, Christmas-time merrier, and heaven nearer—so near that when God gave her through illness a glimpse of heaven she crept, unafraid into his arms with the words, "Take me, Jesus, take me, I know I am going."

Sweet angel Katherine, we loved thee well, but Jesus loved thee best. Asleep in Jesus, blessed sleep, from which none ever wakes to weep.

A Home Remedy That Reduces Fat.

Would you like to have a nice firm figure, but escape the tiresome, bone-breaking exercise or the soul-sickening diet of the old-time plan of reducing excess flesh? Then go to the drugist and ask for this inexpensive mixture: ½ ounce Marmola, ½ ounce Fluid Extract Cascara Aromatic, and 3½ ounces Syrup Simplex. Take a teaspoonful after meals and at bed time, and in a few weeks you can be as fit physically as a fawn. Mix these ingredients at home if you wish, but see that you get the Marmola in a sealed package. When fresh it acts quicker.

NO ABUSE OF STATE POWERS

Florida Railroad Commission Orders That No Order Issued by the Body Need Be So Observed by Any Corporation Affected as to Take Away Legal Rights Already Established in the Conditions Affected.

Order No. 216 has been issued by the railroad commissioners of the state of Florida, as follows:

In the matter of the proposed rules 11, 12 and 13 of the "general rules."

This matter coming on to be heard on January 27th, 1908, after due notice to all the railroads and common carriers doing business wholly or in part within the state of Florida, and they having been given an opportunity to be heard and the railroad commissioners being fully advised in the premises, it is hereby ordered and adjudged that the following be, and the same are, hereby adopted as the "general rules," that is to say:

11. Whenever in any of the rules prescribed by the commissioners, common carriers are required to perform or not to perform an act or acts, such requirements shall not be construed to be so absolute as to deprive a common carrier of an excuse which the law regards as sufficient for the non-performance or the performance of such act or acts.

12. Every railroad company shall report to the railroad commissioners immediately by telegram, any wreck, either of passenger or of freight train, that may occur on its line in this state, giving as nearly as possible, the cause of the wreck, the extent of the damage to the equipment and the track, and the number of persons killed or wounded; and such telegram shall be forwarded with a full written statement, made within five days thereafter, giving full details of the above matters, and the names and addresses of the persons killed or wounded, whether employees or others.

This rule shall not apply to simple derailments of freight cars or yard engines, when switching or shifting in yards, except when some person is killed or injured, in which case, a report shall be made as in other cases.

13. All common carriers shall post in their stations and on their cars all such notices pertaining to the regulation of their business, as the railroad commissioners may direct.

It is further ordered that the said rules shall take effect on February 5, 1908.

Done and ordered by the railroad commissioners of the state of Florida in session at their office in the city of Tallahassee, Florida, this 25th day of January, A. D. 1908.

WHAT DO YOU SAY, CRAWFORD AND BEARD?

What Are They Afraid Of?
The Florida Banner wants to know if Bob McNamee will meet Carrie Nation in a joint debate. If we knew the Napoleon of the "wets" would measure lances with Carrie during the fair we would almost be tempted to go to Tampa—Pensacola News.

You don't mean to say you're not coming? Who will take the place of Brother Mayes, who says he'll surely be on hand?—Tampa Tribune.

Why, we thought of sending John Beard along to see that he walked the "straight and narrow ways."—Pensacola News.

Inasmuch as Editor Crawford is not going and as John Beard is abundantly able to take care of himself, "Brother Mayes" has reluctantly decided that he will not attend this time. The fact is, he is almost afraid to go away and leave Crawford here with no one to watch him (Crawford). It's hard enough to keep our "steamed" contemporary straight even when we're right here on the ground.—Pensacola Journal.

This is sad news, indeed. Why, we were counting on the presence of "Brother Mayes" to whom we promised to give instruction in real metropolitan life so that he would be better equipped for boosting Pensacola. And, moreover, he gave a positive pledge to be on hand. We will surely demand an explanation from John S. Beard if he can forget the fifteenth amendment long enough to give one. But, over to watch the naughty Crawford while the Journal's editor is here under Beard's protective eye.—Tampa Tribune.

THE BENEFIT PERFORMANCE

LIVING PICTURES GIVEN FOR THE SCHOOL IMPROVEMENT ASSOCIATION WAS A FINE SUCCESS—MUCH MONEY WAS DERIVED ALL OF WHICH WILL GO TO THE BETTERMENT OF THE PUBLIC SCHOOLS.

"Did you see the living pictures?" "Yes, indeed. Perfectly grand, weren't they?"

"I should say so. Those children were just the cutest things."

"And, did you wait for the dance?" "I did. I had such a grand time, too."

This is the sample of the conversation that will grace the vestibules of the arches of Pensacola after the services this morning.

And, it was grand. Everybody that is anybody attended the benefit performance of living pictures at the Knights of Columbus hall yesterday afternoon and night. The patronage speaks well for the creditable performance given, and especially does it argue well for the success of the work undertaken by the School Improvement Association, to which cause the receipts will be devoted. The receipts were not all counted yesterday but the sale of tickets gives promise of the proceeds running up to \$300 or \$400.

To give credit to any one member of the association for particular work done to make the production the success it was, would not be fair. To every member of the association, whether he took an active part in the arrangement of the entertainment or not, deserves the credit of the success. Of course, to those who decorated and arranged the hall, drilled the children, served the refreshments, and received the patrons, should be given much credit, but the real motive that worked to its success, was the genuine desire of Pensacolians for a better school system.

The money which the association will receive from the entertainment last night will do much good. It will be enough to carry out many of the plans that have been formed and before the school year is concluded, the improvement will be noticeable.

The children who appeared in the performance did splendidly. Every child did his or her part without fault. The special musical numbers were also exceptionally good, and to the musicians who gave their services are due many thanks.

At the conclusion of the living picture performance, the floor was cleared and those present danced. It was a wailing climax to the entertainment, and hugely enjoyed by all.

The Journal would like to publish the name of every person who took part in the entertainment and make known to the public those to whom is due the main credit, but as this is a special issue of the paper and there is a serious lack of space, this must be foregone.

Your TEA and COFFEE

Bill should not be a source of worry to you and it will not be if you make wise conclusions. In the first place, the person who drinks either tea or coffee does so because they like it. Those who do not drink high grades because they think that they cannot afford it makes a mistake. When the whole secret is known it is an easy matter to get a high grade of coffee or tea and yet pay moderate prices. How? Insist on The Tea Store's Santos Coffee and Oyama Tea. These are sold at all retail stores and prizes are to be had with these articles. Call up the Tea Store for particulars or ask your dealer.
